Choose a series of dolphins in at least 3 color and in ascending order (as in the screen on the left). Swipe to ANY side to submit!

Choose some cards and hold on the last Card to Cycle them!

After each game you receive gold according to your score. Use the gold to buy PERKS on the upper right of the game screen.

Choose your favorite game mode from 4 different options! You can go solo on the classic version or challenge yourself in the Advanced Mode. Play against your friends head-to-head online or on the same device to increase your Dolphin Tag experience!

Go through our awesome tutorial to learn the game!
