No. of articles published or accepted for conferences: _____

Names of conferences:

No. of articles published or accepted for journals: _____

Names of journals:

No. of articles sent for publication and not yet accepted: _____

Names of conferences or journals:

**Have you already received prizes or scholarships from external funds during your current degree?
If so, please specify (name of scholarship/prize and year; for direct Ph.D. track – since transfer):**

Recognition of excellence and additional comments:

Date: _____ **Candidate's signature:** _____

Please attach a grades transcript for the B.Sc. and M.Sc. degrees and a resume, including the list of articles published and/or sent for publication. It is recommended that a copy of the articles be attached. Please note: substantial weight is attached to the academic standard in the M.Sc., published articles, and suitability of the research proposal for a Ph.D. in the considerations of the Admissions Committee.

For internal use (in direct transfer to Ph.D.):

- Has completed $\frac{3}{4}$ of quota of credit points for M.Sc., with an average of 90 and above (or $\frac{1}{3}$, at least 8 points*)
- Has completed the requirement for 18 points from the list of groups (for three-year graduates)
- Has completed two semesters since approval of the research proposal (or one semester*), and not more than 4 semesters (and up to 5 for external students)
- Held a direct transfer seminar attended by the referees

* Candidates who completed a four-year B.Sc. degree with an average of 85 and above, or who completed a three-year degree magna cum laude / President's excellence award, or a holder of the President's excellence award in the last four semesters, may be eligible for the relaxations mentioned in parentheses.
