Project management intern in Software development field – Israel, Netanya

Job Category: Engineer - Software
Level of Experience: Intern
Requisition #: S1006290

Location: Netanya
Start date: flexible start date

Why You’ll Love Cisco
Everything is converging on the Internet, making networked connections more relevant than ever before in our lives. Our employees’ revolutionary ideas impact everything imaginable - from entertainment, retail, healthcare, and education, to public and private sectors, smart cities, smart cars, and everyday devices in our homes. Here, that means you’ll take creative ideas from the drawing board to powerful solutions that have real world impact. You’ll interface with Cisco leaders, partner with experienced mentors, and develop incredible relationships with colleagues who share your interest in connecting the unconnected. You’ll be part a team that cares about its customers, enjoys having fun, and you’ll take part in changing the lives of those in our local communities. Come prepared to be inspired.

Team Description
