The Faculty of Computer Science cordially invites you to a series of lectures to be presented by Prof. Emmanuel Candes of Stanford University.

**Compressed Sensing: After the Burst**
- **Lecture 1**
  - **Sunday, March 14, 2010 at 14:30**
  - Room 337, Taub Building
  - Faculty of Computer Science

**Exact Matrix Completion via Convex Optimization: Theory and Algorithms**
- **Lecture 2**
  - **Tuesday, March 16, 2010 at 11:30**
  - Room 337, Taub Building
  - Faculty of Computer Science

**Robust Principal Component Analysis?**
- **Lecture 3**
  - **Thursday, March 18, 2010 at 14:30**
  - Room 337, Taub Building
  - Faculty of Computer Science

Refreshments will be served before the lectures.
